Tulsa Rig Iron 2021 Shaker Bed Warranty Addendum

This warranty enhancement applies to units manufactured after 1/1/2021.

We now offer a **LIFETIME** warranty against manufacturing defects of metal fatigue on our shakers beds-effective immediately. We employ a proprietary stress relieving process to ensure integrity of the shaker beds. Because of this process, no modifications or welding should be made to the shaker beds. If the beds have been modified or welded on this warranty is void. Corrosion, along with other normal wear and tear is not warrantied.

If a defect in the shaker bed appears, Tulsa Rig Iron will replace the bed, at its option ship a similar part F.O.B. shipping point. Tulsa Rig Iron requires the return of the defective part, to a designated place, freight prepaid to establish purchaser's claim.

Our standard warranty applies on the remainder of the equipment.
